REPORT OF THE FIRE WARDS

The fire wards are pleased to report the fire loss for the year as very low due to the fine cooperation of citizens in preventing fires and also the fine interest of the members of both Engine No. 1 and Engine No. 2. We are also very grateful to the Meadow Wood Fire Department for their support and cooperation on our fires and for their School of Instructions.

There has just been purchased five hundred feet of new hose and all equipment is in good working order.

Summary of Findings and Recommendations

January 17, 1959

Board of Selectmen
Fitzwilliam, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Fitzwilliam for the fiscal year ended December 31, 1958, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library, Village District, Plante Memorial Park Commission and Trustees of Trust Funds.

FINANCIAL STATEMENTS

Comparative Balance Sheets—December 31, 1957-December 31, 1958 (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1957 and December 31, 1958, are presented in Exhibit A-1. As indicated therein, the Net Debt increased by $387.01 during 1958.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

INCREASE IN NET DEBT

Net budget deficit	$3,972 80	
Increase in accounts payable	41 26	
		$4,014 06

DECREASE IN NET DEBT

Long term notes paid	$2,000 00	
Increase in accounts receivable	1,627 05	
		$3,627 05
Net increase		$387 01

Comparative Statements of Appropriations and Expenditures —Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1958, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net overdraft of appropriations of $4,642.36, less a revenue surplus of $669.56, resulted in a net budget deficit of $3,972.80.

Summary of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1958, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1958, is indicated in Exhibit B-2.

Statement of Long Term Indebtedness: (Exhibit I)

A statement of outstanding long term indebtedness as of December 31, 1958, showing annual debt service requirements, is contained in Exhibit I.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expendi-

tures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records.

GENERAL COMMENTS

Change in Current Financial Condition:

The current financial condition of the Town changed from a current surplus of $1,168.08 to a current deficit of $1,218.93, during 1958, as shown herewith:

	December 31, 1957	December 31, 1958
Total Assets	$55,611 93	$57,995 22
Current liabilities	54,443 85	59,214 15
Current surplus or (defecit)	$1,168 08	($1,218 93)

Income from Cemetery Trust Funds:

In the appropriation statement, Exhibit A-3, there is included an account designated as "Cemetery—Trust Fund Account." This represents the amount which was received from the Cemetery Trust Funds of $460.86, and which was earmarked and expended for cemetery work. Therefore, in the revenue statement, Exhibit A-4, the account which is titled "Income from Departments" shows estimated revenue of $475.00 and a revenue deficit of like amount. Inasmuch as the $460.86 received from the Cemetery Trust Funds was expended for cemetery work, it could not, for this reason, also be considered as revenue.

Town Treasurer's Surety Bond:

The surety bond of the Town Treasurer should be increased from $10,000.00 to $15,000.00, in order that the amount of the bond may be commensurate with the amount of funds over which the Treasurer has custody.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Fitzwilliam for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER,

Director.

Division of Municipal Accounting
State Tax Commission.

REPORT OF THE PRINCIPAL

To the Superintendent of Schools:

I herewith submit my third report as principal of the Emerson School.

School Staff

We started school in September with six full time teachers. Our third and fourth grades were combined under the guidance of one teacher, Mrs. Damon. There were twenty pupils in the third grade and twenty-two in the fourth grade. To achieve the goals and objectives wished for, for the pupils, with such a large class in a room of average size presented a serious problem. The services of Mrs. Dorothy Hawkins were secured on a part-time basis to help Mrs. Damon. After a trial period of one month, progress was evaluated. The progress gained under their setup did not reach expectations. The result was the securing of the services of Mrs. Hawkins as a regular full time teacher. We separated the grades and placed the third grade under the supervision of Mrs. Hawkins and the fourth grade under the supervision of Mrs. Damon. This has given the children of each grade what they are entitled and that is more help, more guidance and more teaching. Besides gaining an additional teacher with Mrs. Hawkins, Mr. Victor Collette was secured to fill the vacancy left by Mr. Alvah Niemela with grade six and part of grade seven. Mr. Niemela left teaching in New Hampshire and is now teaching in California. Mr. Collette is not new to the teaching profession. He has had previous experience in a neighboring town. Our first grade is still under the experienced guidance of Miss Louise Knapton. Miss Esther Grout is our second grade teacher. She joined our staff in 1957 after many years of previous teaching experience. The fifth grade teacher is Mr. Albert Whitham. This is the third year Mr. Whitham has been with us and we are fortunate in being able to retain him. Mr. Paul

Tucker has grade eight and also part of grade seven. Our teacher turnover has been small and that is a great asset to the school system. Keeping our teachers provides continuity of the objectives of our curriculum.

Special Staff

Our special staff has changed with the loss of Mr. Albert Furlong. It was expedient to abandon Manual Training in order to provide a room for the third grade. We still have as our Home Economics teacher, Mrs. Edna Mann. Mrs. Beatrix Sagendorph of Dublin, New Hampshire, is our Art teacher, joining our special staff last year. Mrs. Hestor Underhill is our Conservation teacher working with grades six and seven one hour every other week. Plans are to have our sixth and seventh graders attend a conservation camp the latter part of this school year for one week to put into use in a practical way what they have gained from these classes. Music is under the very able supervision of Mrs. Azalea Wilson. She has been with us for several years and has always done a fine job. Mrs. Jennie Fisher, the Nurse, is still doing her duteis conscientiously and enthusiastically. I am pleased to report that our Custodian, Mr. Fred Wilkins, is still with us. Our Lunch Program runs smoothly with Mrs. Anne Mattson managing and Mrs. Margaret Tommila assisting. The transportation of the school children is efficiently and safely handled by Mrs. Dorothy Mattson, Mrs. Eleanor Hill, Mrs. Anne Mattson and Mr. Henry Whipple.

Curriculum

The main emphasis of our curriculum is still on reading, writing and arithmetic. Special emphasis is placed on reading in all grades for it permeates all subject matter. We teach children to learn to read and then read to learn. Comprehension of reading is the objective and that is understanding what they read. We are enriching our curriculum with greater weight being placed on science. We are coodinating our study of science beginning in grade one and extending it to grade eight. Improvement of our curriculum is where our greatest efforts are always channeled. If we are improving the curriculum, we are improving our teaching.

Improvements

The major improvement to our building this year has been the addition of storage space. A floor was put in the attic and shelves were built. Here, books and materials may be stored and out of the way until needed. Another improvement has been the partial surfacing of some of the playground in the rear of the school. This has made it possible for trucks to make deliveries at the rear of the school instead of through the main entrance. As mentioned before. the manual training room is now used for a classroom for the third grade. This required painting and a few minor repairs. There were also a few other minor paint jobs that were done which have improved the overall appearance of the interior of the school considerably. Personally, I am very pleased with the condition of the interior of the school and I am sure the citizens can be proud of it.

Conclusion

I wish to express my appreciation to the Superintendent of Schools, the School Board, the Teachers, the Parent-Teachers Association, and other school employees for their efforts and services to the school. The interest and cooperation of parents and citizens has also been tremendously appreciated.

Respectfully submitted,

PAUL TUCKER,

Principal.
